

***Prerequisite:*** Satisfactory completion of ASL 2 with instructor or with written approval of instructor.

### **Class Description:**

In this course, students will continue on with what they learned in ASL 2 the previous year: focus will be on conversational ASL. Students will start class off with a signed summary of their week followed by vocabulary. Sentence structure will be a main focus of this class.

### **Texts:**

A Basic Course in American Sign Language **ISBN 0-932666-33-7** (student study guide)  
additional assignments TBD
