

Welcome to Crafty Creations! In this class, you'll get the chance to explore your creativity and express yourself through a variety of crafts. Here's what you can expect to learn and create in this class:

1. Sewing and embroidery: You'll learn the basics of hand-sewing and embroidery, including various stitches and techniques. You'll get to create your own designs and even sew your own small projects, such as a pin cushion and decorations for your room.
2. Wool art: You'll learn how to work with different types of wool, including felting and sewing. You'll get to create your own wool art pieces, such as bookmarks and Easter decorations.
3. Jewelry making: You'll learn the basics of jewelry making, including how to work with beads, wire, and other materials. You'll get to create your own rings and necklaces.
4. Fairy gardens: You'll learn how to create miniature gardens, complete with tiny plants, furniture, and decorations. You'll get to use your imagination to create your own magical fairy garden.
5. Nature crafts: You'll learn how to use natural materials, such as leaves, flowers, and branches, to create your own nature-inspired crafts. You'll get to create your own pressed flower art, leaf prints, pottery, and more.

In this class, you'll not only learn new skills and techniques, but you'll also have the opportunity to express yourself and create something unique and personal. So come ready to get crafty and let your creativity shine!

All students will be expected to bring a sewing scissor to class (and leave it in their cubby). There is a \$20 supply fee for this class.
