

Serenity Photography by Gary E. Rieks

As a local Maple Grove photo-artist, Gary has won local awards and his photos have been used in numerous occasions in Maple Grove publications. Two of his photographs have been juried and selected for display in the Fine Arts Exhibit at the MN State Fair.

Gary has provided professional photography services for weddings, church and woman's groups, personal and family portraits, daycare groups, Maple Grove City Events, and the Minneapolis Institute of Art in Bloom event.

Gary has attended training by National Geographic and other master photographers. In turn, Gary has taught classes for District 279 Adult Enrichment, provided advanced photography coaching, young adult photography mentoring, and photo editing advice for various professionals.

During his professional career, Gary has conducted hundreds of seminars and training on a wide range of technology and management subjects.

Inspired by a love of nature and blessed with the opportunity to explore the great outdoors and other countries, his galleries represent nature-oriented photography, monochrome subjects, and artistic digital-art expressions.
